OSHA Docket No. H-122  
Room N-2625  
200 Constitution Avenue N.W.  
Washington, DC 20210

To Whom It May Concern:

I wish to register the strongest possible protest against any form of regulation of the use of tobacco in the workplace by OSHA. This is a matter which can be accomodated voluntarily between employers and employees; hence, government interference and bureaucratic meddling are not necessary.

Further, I do believe that what you are proposing is a violation of our personal rights of privacy under the Constitution of the United States of America and beg you not to further erode what few rights we have remaining.

Sincerely,

Robert E. Knippenberg, Jr.
